Subject: Spring into Summer at the Y!

In celebration of **National Volunteer Month** we would like to take a moment to thank all our YMCA volunteers past, present and future! Volunteers are the heart and soul of our organization. From coaching to gardening, to those welcoming members as they come in the front doors, we wouldn't be the same without our volunteers.

As one of the leading nonprofits and volunteer organizations in the country, nearly 600,000 people volunteer at the Y each year and here in at the YMCA of the Treasure Coast more than 75 volunteers give back through activities such as coaching youth sports, gardening, serving on our boards and spearheading fundraising drives. These opportunities also help volunteers enhance their personal well-being and develop meaningful relationships – all while making an impact in communities they care about.

To learn more about our volunteer opportunities, please contact Sheena Grose at 772-286-4444, ext. 224 or email sgrose@ymcatreasurecoast.org.

SPOTLIGHT

Lynn Merritt

YMCA Volunteer

ALL-STAR VOLUNTEER

In celebration of National Volunteer Month and Earth Day on April 22nd, we would like to recognize one of our many, very dedicated volunteers, Ms. Lynn Merritt! She has volunteered in our garden every week since we opened it 3 years ago and has generously donated many plants from her own garden! Not to mention, her husband graciously designed and built all the trellises and low beds you see there today! Lynn has also served on our annual campaign committee to help raise funds for scholarships to provide all children and families in our community access to our programs and services. Thank you Lynn for sharing your time and passion with us!

If gardening is also your passion come join our Garden Helpers club every Wednesday morning from 8:30am - 9:30am.

For questions contact Elisha Stoecklin at estoecklin@ymcatreasurecoast.org or 772-286-4444, ext. 243.
