In celebration of **National Volunteer Month** we would like to take a moment to thank all our YMCA volunteers past, present and future! Volunteers are the heart and soul of our organization. From coaching to gardening, to those welcoming members as they come in the front doors, we wouldn't be the same without our volunteers.

As one of the leading nonprofits and volunteer organizations in the country, nearly 600,000 people volunteer at the Y each year and here in at the YMCA of the Treasure Coast more than 100 volunteers give back through activities such as coaching youth sports, gardening, serving on our boards and spearheading fundraising drives. These opportunities also help volunteers enhance their personal well-being and develop meaningful relationships – all while making an impact in communities they care about.

## Thank You Y-Knot Knitters!

Every year the Y-Knot Knitters spend countless hours knitting unique and special items - blankets, stuffed critters, towels, and more. Then they package them into Easter Baskets, alongside more goodies, and sell them at the YMCA to raise funds for our programs. This year they raised over \$1,800 towards Free CPR classes for adults and Free Swim Lessons for children!

Join the Y-Knot Knitters every Tuesday 12:30-2:00pm in the Wicina Center.

# 2022 Annual Report

In this report you will read how our long-time programs continue to touch the lives of so many and you will read of new and innovative programs and collaborations. We are for youth development, healthy living, and social responsibility. We are an anti-racist multi-cultural organization, and we are here for all. We want to ensure that every youth, adult, and senior that comes to our buildings or programs can reach their full potential.

These pages are full of excitement and success stories which would not be possible without the amazing staff, volunteers, donors, and community partners. I want to personally thank each and every one of you for your time, commitment and dedication to the Y's mission of service to others. We truly are stronger together.
