SPOTLIGHT

Jennifer Greene

New Membership Director

[Join Our Team](#)

While Jennifer is new to our Y, she is no stranger to the Y movement! Jennifer grew up at the Gateway Region YMCA in O'Fallon, Illinois where she and her older brother both started as camp counselors and worked their way up. Jennifer has worked in multiple departments throughout her time with the YMCA, from Child Watch Supervisor to Volleyball Coach to Summer Camp Director.

She went on to earn two Bachelor's degrees from McKendree University in Middle School Education and Economics. And during her time in college, she participated in NCAA Division II Women's Lacrosse while coaching local high school teams in both lacrosse and volleyball.

After college, Jennifer spent a year in Chicago, Illinois as a middle school English and History teacher at a charter school. While she loves teaching and helping students throughout their academic careers, she missed the feeling of being part of a community that the YMCA provided to her. She is incredibly happy to be in her new position at our Y and is excited to interact with and improve the experience of all members!
