## National Nonprofit Day

For National Nonprofit Day (August 17th), the YMCA of the Treasure Coast is proud to show the impact we've had in our community so far this year.

In 2023, we created a safe summer experience for over 500 children across our 7 sites in Martin and St. Lucie County and over 38,000 healthy meals were served to Summer Campers. Approximately 350 children received FREE swim lessons and over 600 children were taught team-building skills.

# Welcome to Our Team

Please welcome our new School-Age Childcare Coordinator, Natasha Concepcion-Muniz. Last year she started working at the YMCA as a part-time preschool teacher. She comes to us with 10 years of experience working at the Martin County School District where she started as a School Nurse then become a Librarian, Assistant Teacher to English/Spanish Students and finally the Program Specialist for Extended Day.

We look forward to the difference Natasha will make in our childcare programs!

After Natasha moved here from Puerto Rico when she was in elementary school, she learned to swim and played sports at the YMCA. Now her beautiful daughter is making her own memories here at the Y in our Teddy Bear Academy!
