YMCA Indiantown Pool Renovation Project Groundbreaking

Good news! We finally broke ground on our **Indiantown Pool Renovation Project** this past month at our Indiantown branch located at 16451 SW Farm Road. The pool has been shut down for the past 3 years due to the need for extensive repairs and resurfacing.

The YMCA of the Treasure Coast has many donors to thank for helping to bring our pool in Indiantown back to life, including: The Catsman Foundation, Publix Charities, Treasure Coast Urgent Care, Maria S. Zequirá, P.A., Seacoast Investment Services, Turning Point Counseling Services, Lum Wealth Management Group of Raymond James, Aesthetic Dentistry of Stuart, Garcia Group, Food Shop Inc., the Indiantown Chamber of Commerce and other private donors.

To help get ready for the reopening of our pool in Indiantown, the YMCA is hosting a **swimsuit collection drive** for all genders and sizes (infant, child, teenager and adult). All NEW swimsuits can be dropped off at our Stuart or Indiantown branches, during regular business hours.

SPOTLIGHT

Welcome Our Newest Board Members

*Sarah Baker
VP Financial Sales Manager
First Citizens Bank*

As a single mother, Sarah was thankful to have the Before School Care program available at our Bayshore branch so she could drop her daughter off there in the morning before driving to work in Stuart. Then once her daughter was in High School, she found her first job at the YMCA in Stuart as a Summer Camp Counselor. So they traveled to Stuart together every weekday, allowing them to spend more quality time together talking about her daughter's goals and thoughtful consideration around what career path she might be interested in. Sarah says that it was the YMCA experience that sparked a flame inside her daughter and helped her build confidence and develop leadership skills. Sarah looks forward to bringing her

relationship with the YMCA full circle as she joins a number of other fine members of our community as a board member!

*Eric Swierzinski, CPA
Senior Manager
HBK CPAs Consultants*

*YMCA Board Treasurer and Finance
Committee Chair*

Eric has played in Basketball Leagues at the YMCA and has a 10 year old son who shares his love of sports. He believes that "when kids are involved in sports it teaches them many life lessons besides doing something fun." So it was a "no brainer" when his firm asked him if he would be interested in serving on our board!

*Kaija Mayfield
Commissioner
Town of Sewall's Point*

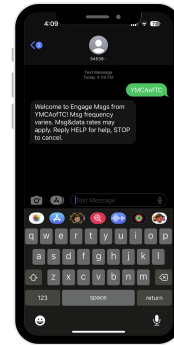

Kaija went to the YMCA regularly when she was growing up and was even a Summer Camp Counselor one year. Both of her daughters and her son played Youth Soccer at the Y and now that they are older, she would like to do her part to give back to the community. Kaija loves the history and longevity of the YMCA and our mission of youth development, healthy living and social responsibility. She also appreciates "the proactive and inclusive approach to accomplishing this mission" and is excited to be a part of it!
