Scholarship applications are available at your local Y, or visit www.ymcatreasurecoast.org/financial-assistance. WHY YOU AND YOUR CHILD WILL LOVE THE YMCA!

The Y is the nation's largest childcare provider and has more than 145 years experience in providing top-notch camp programs across the country. The Y is proud to provide a SAFE environment for kids to experience new adventures, learn new skills, make new friends and continue learning through the summer months.

WE TAKE THE FOLLOWING STEPS TO KEEP CHILDREN IN OUR SUMMER CAMP PROGRAMS SAFE:

- Detailed employment application forms
- Comprehensive staff reference checks including questions that assess risk for abuse
- Fingerprint-based state, out-of-state, and nationwide criminal and sexual abuse background checks prior to employment as required by DCF
- Signed staff statement of compliance with our Y's Code of Conduct and Abuse Prevention policies
- Extensive and mandatory child abuse prevention training as well as child care and camp training for staff
- All staff are by law mandatory reporters of any suspicion of child abuse
- Staff are prohibited from being in a one-on-one situation with any child and are prohibited from contacting youth outside the Y including baby-sitting and any outside communication and on social media platforms
- All interactions between a staff and a child must be observable and interruptible

Staff who are trained in abuse prevention are more likely to understand their role as a protector, to recognize signs of abuse, and to report suspicious or inappropriate behavior.

The YMCA of the Treasure Coast encourages you to talk regularly about your child's experiences in Y programs. Let us know if you have any concerns of staff members violating our policies.

KNOW

RESPOND

We strive to promote **Healthy Eating and Physical Activity (HEPA)** standards in our many childcare program areas. Each Y camper will receive at least 1 to 2 hours of physical activity each day.

Y camp curriculum features the opportunity for **enhanced learning activities** and educational learning experiences.

At the YMCA we keep a **15:1 child to counselor ratio** as we believe a smaller ratio creates a more personal experience in which to learn and grow. (State of Florida mandates a 25:1 ratio.)

Y campers enjoy swimming multiple times each week in our outdoor pools. Campers are tested by Y lifeguards on swimming ability. If determined a "red band" swimmer (needs improvement in swimming) they will receive a half hour of **FREE swim instruction** at least once a week and spend the rest of the time in recreational swim.

Our camps follow DCF and FDOH health & safety guidelines.

MARTIN COUNTY

SUMMER FUN FOR EVERYONE

Summer is a time for kids to explore new things and expand the limits of their imagination! At our YMCA Summer Camp your child will create lifelong memories while participating in enriching, age-appropriate, fun activities! Each week has a Sport / Florida History theme that will be carried throughout the camp including decorations, crafts, activities and field trips. Campers attend weekly art and education enrichments and have the opportunity to swim often! Your child will make new friends, experience new things and have tons of fun as they explore new adventures each day!
